PATIENT – PLEASE READ THE FOLLOWING CAREFULLY, THEN DATE AND SIGN WHERE INDICATED.

By signing this Authorization to Release Health Information ("Authorization"), I authorize my health care providers (including my pharmacies), and my health plans and insurers [and their contractors] (collectively, the "Parties") to disclose to Genzyme Corporation including its parents, affiliates, and its third party business partners, vendors, and other agents (collectively, "Sanofi") information about my disease, treatment, insurance coverage, and payment for my therapy (together with the information I have provided on this Enrollment Form and may provide in the future, "my Information") for the purposes of Sanofi providing me with patient support services and sending me communications that I have agreed to receive elsewhere in this Enrollment Form.

The Parties and Sanofi may use and disclose my Information for the purposes of providing certain support services I agree to in this Enrollment Form, including, but not limited to: (1) determining if I am eligible to participate in the Sanofi Patient Services Program ("the Program"); (2) to manage and improve the Program; (3) to communicate with me about my experience with the Program; (4) to send materials relating to the Program; (5) investigating my health insurance coverage; (6) operating and administering the Program; and (7) contacting me for follow-up on any adverse event I may disclose regarding a Sanofi product. I further authorize Sanofi to de-identify my health information and use it in performing research, education, business analytics, and marketing studies, or for other commercial purposes, including linkage with other de-identified information Sanofi may receive from other sources.

I understand that once my information has been disclosed to Sanofi, federal privacy laws may no longer protect the information from further disclosure, but that Sanofi intends to use and disclose my information only in accordance with this Authorization or as otherwise allowed by law. I understand that Sanofi may provide my Specialty Pharmacy with payment to obtain, use or disclose my information. I understand that my personal health information may be used for communications between Sanofi and me which may be considered marketing. Specialty Pharmacies may receive remuneration in exchange for disclosing my information and/or for providing me with support services in connection with the Sanofi Patient Services Program. You may have certain rights under applicable data privacy laws regarding your personal information, including the right to access your personal information held by Sanofi. For further information regarding these rights, please reference our Global Privacy Policy at www.sanofi.com/en/privacy-and-data-protection. I understand that I may refuse to sign this Authorization and that a refusal to sign will not affect my ability to obtain medical care, insurance coverage, or access to health benefits, including access to therapy. Authorization expires 5 years from the date I signed unless subject to applicable law unless or until I withdraw (take back) this Authorization before then. I understand that I may withdraw this Authorization at any time by sending a written notice that includes my name, address, and phone number, to Sanofi, ATTN: RBD Patient Services, 450 Water St, Cambridge, MA 02141, or by emailing RBDPatientSolutions@sanofi.com.

REQUIRED – By signing below, I certify that I have read and understand the Authorization to Release Health Information and agree to its terms. I understand that I am entitled to a copy of this Authorization upon request.

If approved for the Sanofi Patient Services Program, I will not seek to have the value of any medication provided to me under this program counted toward my true-out-of-pocket (TrOOP) cost for prescription drugs for my Medicare Part D Plan. Continuation in the Sanofi Patient Services Program is conditioned upon timely verification of income. In addition, I agree to notify Sanofi RBD Patient Services immediately if my insurance status or my income changes.
